Greater Lansing Area's
Premier Soccer Club

TRAINING TONIGHT

Hello Rush Families,

We wanted to let all of our families know how deeply saddened we are with the events that not only transpired last night, but within the last week. Many of us have family and friends who work, live or attend MSU and are still trying to make sense of it all. Tonight will not be training as usual. As every family will process this differently, we wanted to be available to help. We know some people will like to try and get back into a routine and others may just want to be around people to talk and process what happened. We are going to open our facility to any and all soccer families (CASL, Rush, CapCity, Nationals,...) to come and play small-sided games or just talk and be with their friends. This is optional and players and families are welcome to come and play or just hang out and talk if that is what they need. If your family wants to stay home and spend time together then we will fully support you. We will be opening the facilities front doors about 5:30pm and will stay open until 8:30pm when we will wrap up for the night. Events like this can be extremely difficult to deal with and as a club and community we want to be a resource for our players, families, staff, and greater Lansing area soccer community.

If you have any questions or need anything from us during this time, please don't hesitate to reach out.

Thank you!
